## Asset Sale Accreditation Site Visit

Accreditation asset sale site visits are required when an accredited child care program is purchased as an asset sale. Programs which have had a site visit six months previous to the sale will not need another site visit.

**Effective April 1, 2011**, when a child care program undergoes an asset sale, the program will be responsible for the cost of their asset sale accreditation site visit.

- The cost for an accreditation asset sale is \$3,764.00 for a licensed day care program/contracted family day home agency and \$2,869.00 for a licensed out-of-school care program.
- Programs may wish to use their Quality Funding Grant to pay for the cost of the asset sale site visit.
- Payment for the accreditation site visit is made to Accreditation of Early Learning and Care Services (AELCS) prior to the site visit date.

For further information, contact Natasha Webber at 780-421-9222, Ext. 224, or call Toll Free at 1-877-552-2227.
